

Community Relations**Relations Between Other Governmental Agencies, Churches, and the Schools****Relations with Recreation Authorities**

The Board shall cooperate with the City Recreation Department in providing recreational activities for residents of the Watertown area.

Groups sponsored by or organized by the City Recreation Department may be permitted to use school facilities when such use does not interfere with school District activities.

The District will distribute approved materials based on our agreement with the City Recreation Department and our handbills policy.

Policy Approved: June 19, 1985

Policy Revised: June 24, 2013
