### NON-DISCRIMINATION

It is the policy of the Watertown Unified School District that no person may be denied admission to any public school in this district or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, career and technical education, co-curricular, student services, recreational, or other programs or activities because of the student's sex, race, religion, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap as required by S.118.13, Wis. Stats.

If you have questions about procedures or wish to file a grievance, please contact the Director of Teaching and Learning. (*School Board Policy #5360 and 5360.1*)

## **STUDENT ATTENDANCE**

### **WISCONSIN STATE ATTENDANCE LAWS:**

School attendance is crucial in order for students to have success in school. Parents are encouraged to have their son/daughter attend school every day possible.

The compulsory attendance law states that all students must attend the designated school day, which is defined as classes, lunch, and study hall. Parents are encouraged to schedule student appointments at times other than hours school is in session. Academic success is linked directly to school attendance. Parents should make every effort to have their student in all classes throughout each school day.

**Consistent with state law, any student who has been absent ten or more days in that school year cannot be excused for an absence unless a medical slip is submitted to the Attendance Office.**

### **WUSD ACCEPTABLE REASONS FOR ABSENCES:**

In accordance with Wisconsin Statute 118.15(3)(b), students will be excused from school attendance by the designated attendance officer for the following reasons if such absence is with knowledge and approval of the student's parent or legal guardian:

- Personal illness (a medical excuse may be required for more than 3 consecutive days of illness)
- Severe illness or death in the family
- Religious observance
- Impassable roads or extreme weather conditions
- Required court appearance
- Health appointments
- College Visits
- Special cases at the discretion of the Principal
  - Vacation
  - Job Interview

Parent/guardian notification is required if the student is absent from school. In addition to the reasons above, and according to State Statute, 118.15(3)(c), a student who is excused in writing by his/her parent/guardian before an absence occurs will be excused from school. A parent/guardian may not excuse a student under this paragraph for more than 10 days per school year. Parents/guardians are encouraged to provide a medical or other documented excuse for their son/daughter's absence whenever possible.

Students whose absence from school is excused by the attendance officer or parent will be provided with the opportunity to complete coursework assigned during the absence, as well as take any trimester or grading period examinations or other assessments.

### **PROCEDURES FOR EXCUSING ABSENCES:**

1. Absences shall be reported to the high school attendance personnel by telephone the day of the absence (midnight).
2. Medical excuse must be presented to the high school attendance office within 24 hours of the absence.

If this method for excusing absences is not followed, the student will be referred to an associate principal who will provide a consequence to the student. A student will be considered truant and cannot be excused by a parent or guardian when the student is absent due to non-Board approved reasons.

### **LEAVING THE BUILDING DURING SCHOOL HOURS:**

A student may not leave the building for any reason during the school day without signing out with the attendance secretary. **All students leaving the building will be required to phone a parent or guardian for permission. Students leaving the building without signing out at the attendance office or without parent consent will be considered truant and will receive a consequence for failure to sign out. Students who leave in a vehicle without parent consent or without signing out at the attendance office could lose parking privileges.** Students may not go to their vehicles during the school day without being escorted by a staff member. Skipping days/hours or leaving campus for lunch is not included as excused absences.

### **TRUANCY:**

Truancy is defined as any absence for part or all of one or more school days during which the attendance office has not been notified of the official, board approved cause of such an absence by the parent or guardian. This also includes intermittent absences carried out for the purpose of defeating the compulsory school attendance law or Watertown School Board policy relating to school attendance. Examples of truancy includes when a student:

1. Leaves the building without an official pass.
2. Leaves a classroom, study hall, work area, or teacher's supervision without having permission.
3. Does not report to the office or any other designated location after being sent by a staff member.
4. Is in any unsupervised area of the building without a pass when classes are in session.
5. After securing the proper permission to leave a classroom is gone an excessive amount of time.
6. Goes to any location in or out of the building rather than their assigned class for that hour.

### **HABITUAL TRUANT:**

Wisconsin Law defines habitual truancy as a student who is truant for part or all of ten or more days each year during which school is normally held. These students will be referred for legal action according to state law (Wisconsin Statutes 118.51 (1)(a) and 947.16) and/or local municipal ordinance (Watertown Municipal Ordinance #11.117 (1) (b)). Habitual Truants could be subject to loss of parking privileges, co-curricular privileges, and may not be eligible for a work permit.

### **TARDINESS:**

Tardiness is a two-way problem. First, tardiness is disruptive to other students and the teacher of the class. Secondly, tardiness results in a loss of education for the tardy student. Students are expected to be in their classrooms when the bell rings at the beginning of each hour. The student must report to and remain in class.

Students are allowed three tardies per trimester.

- A ½ hour lunch detention may be issued for subsequent tardies.

- Any additional tardies may be subject to additional lunch detentions, after school detentions, or referrals to the School Resource Officer for a written warning and the possibility of a written citation.
- Repeated tardiness may result in a county truancy referral.

**MAKE-UP WORK FOR EXCUSED ABSENCES:**

It is the student's responsibility to gather information allowing him/her to complete make-up work for excused absences. A student should see his/her teacher before or after school or some other mutually agreed upon time.

All school work missed as a result of excused absences must be made up in a timely fashion. Tests and quizzes must be taken the day the student returns. Any work assigned prior to the absence is due on the day of return. Students must make up any assignments given during the absence within a time frame mutually agreed upon by teacher and student. If the work is not made up, the student will receive zero points.

If an absence extends for more than three days, arrangements for homework can be made by contacting the front office. All homework is expected to be picked up within 24 hours of the request. If the student does not choose to or cannot do homework while ill, it will be the student's responsibility to obtain all make-up work from teachers immediately upon returning to school.

**MAKE-UP WORK FOR TRUANCIES & UNEXCUSED ABSENCES:**

Truant students will not be given the opportunity to make up work other than summative assessments. The classroom teacher will determine when summative assessments will be made up.

**MAKE-UP WORK FOR SUSPENSIONS:**

A suspended student shall not be denied the opportunity to take any trimester examinations or to complete missed work assigned during a suspension. It is the student's responsibility to make arrangements with his/her teachers for makeup work.

When suspended, the student is entitled to makeup days equal to the number of days suspended. For example, a student who is suspended one school day is allowed one school day to make up work; a student suspended three days is allowed three days, etc.

**PHYSICAL EDUCATION – MEDICAL EXEMPTION:**

All freshmen, sophomores, and juniors shall take an active part in the physical education program. Students who temporarily cannot participate actively in the program must present their physical education teacher with a written excuse from a doctor. It is the student's responsibility to return to active participation at the prescribed time on the doctor's note.

Students who are unable to participate may remain with the physical education class or may be temporarily scheduled into a study hall until such time the student is able to return and participate in physical education.

**STUDENT DISCIPLINE**

All disciplinary incidents not specifically covered in the WHS Student Handbook will be dealt with at the discretion of the high school administration in accordance with school board policy and state law.

### **DISCIPLINE PROGRESSION:**

Watertown High School will communicate expectations to students and parents. Repeated refusal to follow school rules will not be tolerated. The associate principals and principal will be actively involved in meeting with parents and students in an effort to solve behavior issues. Students with repeated referrals will be required to meet with their parents and appropriate school officials.

### **STUDENT CONSEQUENCES:**

If a student violates a rule set forth in the WHS Student Handbook, the following consequences will be assigned at the discretion of the high school administration. Consequences are determined by the severity and/or frequency of the offense and may not follow the order listed.

Students may not be allowed to attend school sponsored activities or dances if all consequences are not completed prior to the dance.

#### **1. Administrative Conference**

Students will meet with their assigned administrator to discuss the offense and set expectations for future behavior at WHS. Depending on the severity of the offense, a meeting with the principal may be required.

#### **2. Parent Meeting**

Parents will be required to meet with the student and assigned administrator to discuss the offense and set expectations for future behavior. Depending on the severity of the offense, a meeting with the principal may be required.

#### **3. Removal of Privileges**

Students will lose privileges such as the ability to possess an electronic device during the school day, attend extracurricular activities or the privilege of parking in the student lot.

#### **4. Teacher Detention**

Detentions may be assigned by teachers for classroom incidents. These detentions will be served in their classrooms, at times designated by that teacher. Failure to serve a teacher detention will result in a consequence from an Associate Principal.

#### **5. Administrative Detention**

Student will be assigned a detention to be served at a time designated by teacher or administration. The student must serve the detention by the date assigned by the assigned teacher or administrator or further consequences will result. Students will be asked to turn in their cell phones. Students who refuse to turn in their cell phones will be subject to a cell phone violation and subsequent consequences.

Lunch detentions will be served no later than the day after they are assigned. Students who fail to serve their assigned lunch detention may be subject to additional consequences including but not limited to additional lunch detentions, after school detention, and Saturday detention.

One hour detentions will be served on designated Thursdays from 3:20 p.m. to 4:20 p.m. Two hour detentions will be served on designated Thursdays from 3:20 p.m. to 5:20 p.m.

- Failure to serve an administrative one-hour detention results in an administrative two-hour detention

- Failure to serve an administrative two hour detention results in a Saturday detention.

### **6. Saturday Detention**

Students who fail to attend their scheduled detentions during the week may be issued a Saturday detention. Students will be assigned to a one, two, or three-hour detention on a Saturday morning. The student must report to Saturday detention or other consequences will be assigned when the student returns to school (i.e. suspension/simple truancy citation).

### **7. Out of School Suspension**

Student will be suspended from school for a maximum of five consecutive school days unless a notice of expulsion hearing has been set. In this case, the student may be suspended for a maximum of fifteen consecutive school days. The length of suspension will be determined by the severity and/or frequency of the offense (Wisconsin Statute 120.13).

Students who are suspended out of school are not allowed on school property without administrative permission. During the suspension, the student may not take part in any school activity, either as a participant or spectator.

### **8. Police Referral**

Any school related offense that may be considered illegal will be reported to the police. School consequences may be assigned for the same incident.

### **9. Expulsion**

A student can be expelled from school for reasons outlined in Wisconsin Statute 120.13. Students that commit severe offenses or that repeatedly violate school rules may be considered for expulsion.

#### **SUSPENSION:** (School Board Policy #5310 and #5310.1)

Students who violate school rules, disrupt the educational process or the teaching and learning environment of the school and/or attempt to encourage others to do so may be suspended and may be referred to the Board with a recommendation for expulsion and may be referred to civil authorities for prosecution. This includes, but is not limited to, damage of school property, threats to personal safety, assaults, conduct that restricts or limits school activities and the learning environment, or violates school rules.

The district administrator or any principal may suspend a student for not more than five (5) school days or, if a notice of expulsion hearing has been sent, for not more than a total of 15 consecutive school days for noncompliance with such rules or school board policies.

#### **EXPULSION:** (School Board Policy #5451 and #5441.1)

The administration can only recommend expulsions to the school board. Expulsion may be recommended in instances such as: willful disobedience; major vandalism; disruptive conduct; use, sale, or possession of drugs and alcohol; arson, possessing or using a deadly weapon; intimidation or threatening behavior; theft; extortion. Expulsions can only be decided by vote of the school board. Expulsion lengths are determined by school board decision. Specific grounds for expulsion from Watertown High School include:

1. Repeated refusal or neglect by the student to obey school rules and policies;
2. Conveyed or caused to convey any threat or false information concerning an attempt or alleged attempt being made to destroy any school property by means of explosives;

3. Engaging in conduct while under the supervision of a school authority which endangers the property, health, or safety of others;
4. While not at school or while not under the supervision of a school authority engaging in conduct which endangers the property, health, or safety of others;
5. Endangering the property, health, or safety of any employee or school board member of the school district in which the student is enrolled;
6. When the student is at least 16 years of age and has repeatedly engaged in conduct while at school or under the supervision of a school authority that disrupted the ability of school authorities to maintain order or an educational atmosphere at school or at an activity supervised by a school authority;
7. Possessing a firearm while at school or while under the supervision of a school authority, as defined in 18USC921 (a)(3),

### **STUDENT DISCIPLINE (OFFENSES)**

#### **ACADEMIC INTEGRITY:** (School Board Policy #5215)

The Watertown Unified School District regards academic honesty as a core value of its educational mission. It is expected that all schoolwork submitted for the purpose of meeting course or class requirements represent the original efforts of the individual student. Administration, faculty, students, and their families are all-important contributors to the upholding of this academic integrity in our school community. To this end, it is important that all involved understand their integral role in helping to promote this climate of academic honesty.

Any form of academic dishonesty is prohibited. Academic dishonesty includes, but is not limited to: plagiarism, forgery, copying or stealing another person's work, allowing another person to copy one's own work, doing another person's class work, creating more than one copy of one's work for distribution, intentionally accessing another's material for the purpose of using it as one's own, downloading information from other sources and presenting it as one's own, unauthorized use of hard copy or software to develop one's own software. Faculty and building administrators will have the responsibility for monitoring the above actions.

Actions to be taken:

1. Classroom instructor communicates "academic integrity" violation to student and parent
2. Student may receive the score of "0" on the assignment
3. Detention assigned
4. Administrative conversation with parents (if necessary)
5. Future incidences may result in the student being removed from the class with an F grade and a meeting with the Principal. This is a cumulative policy, which means throughout the student's WHS career (it does not start over every school year).

#### **ALCOHOL OR DRUG OFFENSES:** (School Board Policy #5314)

Students have the right to attend school in an environment that is free from the use of alcohol and controlled substances. These substances interfere with the learning environment of students and the performance of students and employees.

The following actions are prohibited by students on District premises, in any District-owned or contracted vehicle, and at all school-sponsored activities, whether on or off campus:

The use, possession, concealment, distribution, manufacture, transfer, sale, or possession with intent to sell: alcohol; controlled substances; drug paraphernalia (as defined by local, state and

federal statutes); inhalants; copycat or synthetic drugs or alcohol; look-alike drugs or alcohol (substances that are represented as a drug or alcohol regardless of the true nature of the substance); and any substance intended to be used for mind-altering effects.

Being under the influence of: alcohol; controlled substances; inhalants; copycat or synthetic drugs or alcohol; and any substance intended to be used for mind-altering effects.

Prescription medication will be exceptions to this policy when used by the individual for whom they were prescribed in the manner and amount prescribed, and in keeping with established District procedures. Prescription medication must be kept in the original container. The student must inform the school's administration when taking prescription medication.

Over-the-counter medications will be exempt from this policy when used consistently with the stated purpose of the medication in the manner and amount directed and in keeping with established District procedures. Over-the-counter medications must be kept in the original container.

Actions to be taken:

2. Notification of police
3. Notification of parents/guardians

### **HARASSMENT:**

Every student at Watertown High School has a right to not be harassed and to feel safe at school and at all school activities. Harassment is any unwanted or unwelcome behavior that violates an individual's personal rights. Any form of harassment is unacceptable and will not be tolerated. Students who are harassed should tell the harasser to STOP. If the unwelcome or unwanted behavior continues, the incident should be brought to the attention of a teacher, counselor, administrator, or school resource officer.

Laser pens/pointers will be confiscated and individuals using or possessing them will be subject to disciplinary action.

Students have the opportunity to utilize many types of technology that support instruction and learning. The misuse of this technology for non-academic purposes could result in the loss of privileges to utilize technology and the possibility of other disciplinary actions.

An electronic Device shall be considered stored if it is outside of view and reasonably secured in a locker, backpack/purse, or pocket. Headphones, ear pieces, or similar equipment associated with a Device shall also be stored and not worn.

Any student who possesses or uses a Device and/or associated equipment that is not stored, that is not powered off, or in a manner that violates this Board policy or any other policy or school rule shall be subject to consequences, including, but not necessarily limited to, disciplinary action, required surrender of the Device, and/or potentially having his/her right to possess a Device at school further restricted by the school principal or his/her designee. In any case where a Device is confiscated by a school official, the Device shall be returned to the student or to a parent/guardian at an appropriate time.

Students who possess a Device do so at their own risk to possible loss, damage or liability.

Failure to follow this policy will result in the following consequences:

Please understand that the Watertown Unified School District does not condone any behavior that disrupts the learning environment of our students. Consistent with the above court decision, any Watertown High School student found responsible for any threat that disrupts the school day will be responsible for full restitution.

### **SKATEBOARDS, ROLLER BLADES AND OTHER WHEELED DEVICES:**

**SMOKING AND POSSESSION OF SMOKING MATERIALS:** (School Board Policy #5314)

In accordance with the State Statute 120.12, use of any tobacco or smoking products is prohibited in school buildings or on school grounds. The law also means tobacco will be forbidden at athletic events held in any city park, as the event is “under the control” of the school board. Anyone using tobacco or smoking products will receive school consequences and be referred to the police.

School consequences will also be issued for possession or use of look-alike tobacco products.

## **GENERAL ACADEMIC INFORMATION**

**ACADEMIC INTERVENTIONS:**

There are opportunities for academic intervention scheduled throughout the course of the school day for students to receive additional help. Families will be notified if your student is required to attend.

**ACADEMIC LETTERS:**

Academic letters are awarded to students who carry a minimum of two credits per trimester and earn a 3.50 grade point average or better for all three trimesters of the previous academic year. A special recognition program will be held for honor students achieving this distinction.

**CLASS RANK (CLASS OF 2018, 2019, AND 2020):**

Each trimester all students at Watertown High School are ranked within their grade according to their cumulative grade point average. Final senior ranking will be calculated at the end of the second trimester of their senior year.

**LAUDE SYSTEM (CLASS OF 2021 AND BEYOND):**

The Laude system is a point-based system that gets combined with a student's GPA. Laude will reward a student for taking designated honors courses and will earn the student one honor point per trimester for designated courses. (*Please note that a student must successfully complete the course to earn honor points.*) Under this system, students taking Advanced

Placement courses, Youth Options courses, articulated courses, Capstone courses, and other courses designated as Dual Credit, Advanced Standing or Honors will receive one honor point per trimester for each successfully completed course.

Beginning with the Class of 2021, the Laude System will replace the present class rank system. Class rank will not be routinely provided to colleges for admissions purposes. The transcript will report the student's cumulative grade point average with an accompanying Laude point score and distinction. A cover letter will be provided to the colleges explaining our Laude System.

**To Qualify for Cum Laude or Higher:** A student must have a cumulative GPA of 3.0 or higher and have earned a minimum of **60** honor points. *Please note that the number of Laude Courses that will be included in the Laude Score will be capped at 36.*

Once a student meets these requirements, they can earn one of the following distinctions:

- Cum Laude (with honor/distinction) **60-79** honor points
- Magna Cum Laude (with great honor/distinction) **80-99** honor points
- Summa Cum Laude (with highest honor/distinction) **100 +** honor points or more

### **Laude Recognition Process**

Students will be eligible for the Summa Cum Laude, Magna Cum Laude, or Cum Laude recognition by multiplying their cumulative grade point average at the end of the second trimester of their senior year times the total number of advanced classes successfully completed throughout their four years of high school. This would include classes one is registered for during the third trimester of the senior year. *Please note that the number of Laude Courses that will be included in the Laude Score will be capped at 36.*

### **CLASS STATUS:**

Class status is determined by the student's year in school. Students in their first year of high school are considered freshmen, students in their second year of high school are considered sophomores, students in their third year of high school are considered juniors, and students in their fourth year of high school are considered seniors.

### **COURSE CHANGES:**

Once the registration process has been completed, any student or parent requesting a course change must meet guidelines in order to change a schedule. One of the following conditions must be present for any schedule change to be considered:

- Require changes for work completed over the summer
- Failed to meet a prerequisite requirement based on the results of classes taken in spring
- Looking to take a more rigorous course

### **COURSE FEES:**

Course fees are charged to students who enroll in some courses where consumable materials are used or remain the property of the student (art, technology education, family and consumer education, workbooks, etc.). Students are encouraged to refer to the course handbook for a listing of courses with fees. **Students will not be allowed to participate in graduation ceremonies if accumulated fees are not paid.** In addition, students with outstanding fees will also be referred to a credit collection agency.

**COURSE SELECTION:**

Students select courses via Skyward for the next school year during the previous spring. School Counselors will review student credits and requirements with each student. After a student registers for classes, they must submit a parent signed print out of their course registration. Students are encouraged to register for alternate choices in case your first choice is not available. Any student who fails to complete the process will have classes picked for them by their school counselor.

**DROPPING COURSES:**

Students may drop a class prior to the beginning of the trimester without a penalty as long as they maintain full-time status. Students may drop a course during the first **three** school days of the trimester with parent and school counselor approval. Students dropping a course after the first three days of the trimester will be dropped with an “F” grade unless the principal approves the course drop.

**ENROLLMENT:**

The Watertown Unified School District School Board has mandated that all high school students must be enrolled as full-time students. During each trimester of attendance at Watertown High School a student must maintain enrollment in no fewer than four (4) classes or two (2) credits for the class of 2018, 2019, and 2020 and five (5) classes or two and half (2.5) credits for the class of 2021.

**GRADE POINT AVERAGE:**

Grade point average is computed for each grade reporting period. Accumulated grade point average is computed only using trimester grades. Grade point average is computed by adding the grade points earned in all courses and dividing that total by the number of grade points possible. Watertown High School does not use a “weighted” grading system.

A+=4.000, A=4.000, A-=3.667, B+=3.333, B=3.000, B-=2.667, C+=2.333, C=2.000, C-=1.667, D+=1.333, D=1.000, D-=0.667, F=0.000

**GRADUATION HONORS:**

Seniors are eligible to graduate with academic honors based upon their cumulative grade point average after ten trimesters. An honor cord will be given to each senior and the honor status will be noted during the graduation ceremony. Honor graduates are defined:

- 3.800 and higher: Summa Cum Laude – Gold Cord
- 3.500 – 3.799: Magna Cum Laude – White Cord
- 3.200 – 3.499: Cum Laude – Blue & White Cord

Seniors accepted to the Tri-M Music Honor Society, National Honor Society, Spanish Honor Society, and National Technical Honor Society will wear an honor cord or stole during the graduation ceremony.

**GRADUATION REQUIREMENTS:** (School Board Policy #5240)

Certain subjects are required of all students in grades 9-12. These requirements are set by the State of Wisconsin and the Watertown Board of Education. To graduate, a student must enroll in, and successfully complete the following courses:

The post high school course can be applied to an elective or required class (i.e. AP Biology would count for both Science and the post high school requirement).

In order to be eligible for a Watertown Unified School District high school diploma, a student must have taken and successfully completed the state-required civics test while enrolled in the high school grades in the District or, as determined by the administration, in another qualifying school or program. A student with a disability for whom an individualized education program (IEP) is in place must also take the civics test; however, his/her graduation shall not be contingent on the successful completion of the test.

**EARLY GRADUATION:**

Students who have met the graduation requirements and are seeking early graduation must complete the early graduation form, discuss with their counselor, and meet with administrative staff to determine approval. Administration will review the request and make decisions on a case by case basis.

### **INCOMPLETE GRADES:**

Students receiving an incomplete (I) on their report card are allowed up to three weeks after the last day of the grading period to complete the work or the incomplete will be changed to an “F.” Any exceptions to this policy must be approved by the principal.

### **NATIONAL HONOR SOCIETY (NHS):**

The NHS is a select group of sophomores, juniors and seniors who have demonstrated exceptional character, leadership, service and academic skills. A 3.5 cumulative GPA after a student’s fourth trimester is the first major acceptance requirement (be aware: a 3.5 GPA does NOT guarantee selection!). Teacher recommendations citing character and leadership are needed as well as verifiable volunteer services to the school, local, state or national community. The NHS is a nationally recognized organization that meets monthly and provides services to other various groups such as mentoring, food drives, book drives and sponsorship of various charitable organizations.

### **PASS/FAIL GRADING:**

Students at WHS have an opportunity to take no more than two ½ credit courses on a pass/fail grading scale during a student’s high school career. The option is open to students in grades 11 and 12. Students must declare at the beginning of the trimester that they are enrolled in the class for a pass/fail grade rather than the regular A-B-C-D grading scale. If a student fails the course, the F will appear on the report card and count in the student’s grade point average. If the student passes the course, the grade P will appear on the report card and it will not count in the student’s grade point average.

Students must apply for pass/fail status during the first week of the trimester. The Pass/Fail application forms are available in the Student Services office and should be completed and returned to that office by the announced deadline date each trimester. Once a student has declared his/her enrollment as Pass/Fail that designation must remain in effect for that trimester.

**It would certainly be advisable for students and parents to call the admissions office of any university in which there is interest and ask for the university’s policy on pass/fail high school grades.**

### **REPORT CARDS/PROGRESS REPORTS:**

All trimester report cards will be available online approximately one week following the end of the trimester grading period. Progress reports will be available on Skyward. Grading printouts will be available in the Student Services Office upon request.

### **SCHOOL TRANSCRIPTS:**

Watertown High School transcripts are available in the Student Services Office and also via <http://exchange.parchment.com/students/> (which can be found on the high school website.)

### **SENIOR PRIVILEGE PROGRAM:**

Seniors who are passing all classes with a C- or better, have no discipline referrals, and have no unexcused absences are eligible for the Senior Privilege Program.

The Senior Privilege Program entitles a senior to the following rewards:

1. Open Campus for Study Hall – the senior would not be assigned to a study hall for attendance. Seniors may leave the campus during study hall time.
2. Open Campus for Lunch – the senior may leave the campus during lunch time.
3. Students are released from school at the conclusion of 5th period.

If a student in the program receives a referral, is unexcused from school, or grades fall below requirements, they will be assigned to a regular study hall, or back to their regularly scheduled ELT. Seniors in the Senior Privilege Program are also not allowed to transport students not in the program. If this occurs, the senior will be removed from the program.

In order to participate in the ELT/Senior Privilege Program, seniors who are eligible must apply for and secure an honors pass. This pass will verify the student's eligibility.

### **STUDY HALL/ELT PRIVILEGE PROGRAM (Grades 9-11):**

Students in grades 9-11 who meet the requirements below are eligible for the Study Hall/ELT Privilege Program. Study Hall/ELT Privilege Program passes allow students the opportunity to attend study hall in the commons during the student's study hall period. In addition, students with program privileges may **immediately report before the bell** to the Media Center without a teacher issued pass. Students **must remain in those areas for the entire period**. During ELT, students in the program will report to the Commons or Media Center and sign in with a designated staff. Students may not leave these areas unless otherwise approved by staff. The program will begin: Second Trimester each school year for 9<sup>th</sup> grade students and First Trimester for students in grades 10-11.

In order to be eligible for the program, students must meet all three of the following conditions:

1. Student must have a grade point average from the previous trimester of 3.2 or higher.
2. Students must have no discipline referrals from the previous trimester.
3. Students must have no unexcused absences from the previous trimester.

If a student in the program receives a referral, is unexcused from school, or grades fall below requirements, they will return to a regularly assigned study hall and ELT.

In order to participate in the program, students must submit an application to the Main Office. Applications will be reviewed for eligibility on a trimester basis and a pass will be issued to qualifying students. These passes will be issued by the end of the second week of each trimester and will be in effect through the second week of the following trimester.

### **STUDENT APPEAL PROCEDURES:**

If a student or parent/guardian perceives that a school regulation or procedure has been wrongfully interpreted or applied to the student, an appeal can be scheduled. This appeal should be scheduled with the high school principal.

### **SUMMER SCHOOL:**

Students at Watertown High School may be eligible to attend a 20-day summer session beginning in June and ending in July. Summer school is an opportunity for students to earn credit for courses failed during the regular school year. Eligible students are able to enroll in a maximum of two remedial courses. The number and types of courses are dependent upon enrollments. Attendance is strictly enforced during summer school.

To be eligible for summer school a student must have been enrolled previously in the course during the regular school year and received a failing grade.

### **TRANSFER OF CREDITS:**

Credits earned at another institution of learning will be reviewed by the principal to determine if the credits will transfer to Watertown High School. The basis of evaluation will be the accreditation status of the school. Credits from a vocational/technical school or college will be counted according to the following: 3-credit course = .75 Watertown High School credit. The principal prior to enrollment must approve courses from a correspondence school. An official transcript must be received at least one week before the end of the trimester in order for credit to be officially awarded at Watertown High School.

### **WORK CO-OP & APPRENTICESHIP PROGRAMS:**

Students may be enrolled in a work-based learning program during the school day. The programs available include Cooperative Work Programs (seniors only), Apprenticeship Programs, and Internships. An administrator will review applications of students for the work-based program. Students must have at least 95% attendance from the prior year, zero behavior referrals from the prior year, and no 'D' or 'F' grades the prior year to be eligible for the program.

If the student is absent for **any** part of the school day, the student may **not** report to work that day. Students will be allowed three full days of being absent per trimester (excused or unexcused). Upon the fourth day of absence, the student will be removed from the work-based environment and placed in study hall(s). The student will forfeit credit upon removal from the work program.

## **INFORMATION FOR STUDENTS/PARENTS**

### **BUS TRANSPORTATION:** (School Board Policy #5311)

The school bus is considered an extension of the classroom; therefore, students shall conduct themselves while on the bus in a manner consistent with established standards for classroom behavior. A set of bus rider rules shall be developed by the administration and distributed annually to all students who qualify for bus transportation. When a student fails to conduct him/herself properly, such misconduct should be brought to the attention of the administration by the bus driver. **CLOTHING AND DRESS:** (School Board Policy #5320)

The School Board believes that a student dress code is an important part of creating a school environment that is safe, conducive to learning and free from disruption. With that in mind, the following student dress code standards shall be enforced in the District during the school day and at all school-supervised activities and functions:

1. Students shall dress appropriately for the school environment. Student attire that causes, or is likely to cause, a material interference with school operations or a substantial disruption to the school environment will not be permitted. School staff shall consider the link between the potential disruption or interference and the student's attire at issue when making decisions under this provision.
2. No student shall be permitted to wear any clothing that depicts, promotes or advertises alcohol/taverns, illegal drugs, tobacco products, firearms, gang affiliation/activity, profanity, violence or pornography.
3. Students shall wear protective clothing and/or safety equipment when working in science labs, tech education, family and consumer education, school cafeterias, and other program areas as required to comply with health and safety codes and regulations.
4. Clothing and/or accessories that cause excessive maintenance problems or cause injury to anyone or damage to property may not be worn.

5. Students participating in activities or events representing the school before the public shall be expected to dress appropriately so as not to detract from the group or the occasion.

### **CLOTHING GUIDELINES:**

All shirts and tops must be full length; no midriff, crop tops, or cut-off shirts with opened sides are allowed. Strapless, low-cut, and spaghetti strap tops will not be allowed. Undergarments may not be seen at any time.

- Skirt and short length must be appropriate (i.e. “hips to tips” - the material must cover the hips and extend to where fingertips meet leg.) Undergarments may not be seen at any time.

All head coverings are to be removed upon entering the building with the exception of those for religious purposes. Coats, hats, and gloves are to be placed in a student’s locker when the student arrives at school and remain there until the student is leaving the building. Head coverings include, but are not limited to caps, hats, sunglasses, safety glasses, and bandannas.

### **GANG IDENTIFIERS:**

Students are not permitted to display any article of clothing or item that may be interpreted as identification with a gang. These may include, but are not limited to: caps, coats, tattoos, hand signals, graffiti, jewelry, handcuffs, haircuts, belt buckles, bandannas, handkerchiefs, gloves, raised pant legs, and straps. A school official will determine if something is a gang identifier. The first instance will result in a warning and the student will immediately remove or cover the identifier. A second violation will result in school discipline.

Students who are dressed inappropriately will be offered alternate clothing or sent home to change their attire. Repeated violations of the dress guidelines or refusal to change will result in disciplinary action.

### **COMMONS EXPECTATIONS:**

It is the expectation at WHS that all students treat the commons area, as well as all other areas of the building with respect. Students who show disrespect for these areas by: throwing food, leaving trash on tables and floors, or failing to return trays will be referred to administration. Engaging in this type of behavior may result in a citation from the school resource officer.

**Students are not allowed to order food to be delivered to school.** Students must eat lunch while sitting at tables in the commons. No student will be allowed to eat lunch on the floor near the Art Gallery, Auditorium Entrance, or Elevator. In addition, students are not to engage in disruptive behavior during the lunch period (e.g. running around commons, playing hacky sack). Students are required to remain in the commons area for the entirety of lunch; they are not allowed to go to elsewhere in the building without a pass.

### **CLOSED CAMPUS:**

Watertown High School has a closed campus policy. Students are to remain in the building at all times during the school day unless:

Any WHS student without a current high school photo identification card will not be allowed into the dance.**

No students will be admitted to a dance after 9:30 pm. Students may not re-enter a dance after leaving the building. Students disrupting the event will be asked by staff members to leave the event and also are subject to school discipline. Students may receive additional disciplinary consequences for behavior exhibited at school events.

**Students who are suspended from school, who are classified as habitual truants, (including detentions to be served) or who have discipline records will be excluded from dances.**

#### **DISTRIBUTION OF MATERIALS:**

Any distribution of non-school materials must have the prior approval of administration. Students who distribute any non-school materials without prior approval may be subject to disciplinary consequences.

#### **ELECTRONIC SURVEILLANCE:**

Video surveillance equipment is installed and running both inside and outside of Watertown High School. The purpose of having this equipment is to protect the school building and to enhance safety for students, staff, faculty, and visitors. The following guidelines exist for the use of such equipment:

- Camera placement and use allows the recording of students, staff, faculty, authorized visitors, and other persons present on school grounds.

- School administrators may, in accordance with state and federal law, use video images to investigate student behavior and support student discipline, including in suspension and expulsion proceedings. If appropriate, video images may be disclosed to law enforcement representatives in connection with the investigation and/or prosecution of suspected criminal activity. Disclosure of video images in a civil action or administrative proceeding shall not occur absent service of a valid subpoena.

### **EMERGENCY PROCEDURES:**

Watertown High School has regularly scheduled fire, tornado, and crisis drills. Fire exits and emergency procedures for emergency conditions are posted in each classroom. The public address system may be used to direct students and staff in some emergency situations.

**Students are required to follow all mandated safety procedures.**

### **FIELD TRIPS/GUEST SPEAKERS:**

Field trips are optional for all students. If a student decides not to participate in a field trip, the student must attend school and the classroom teacher will design an appropriate alternate activity. In all cases, a field trip is an extension of the school day. All WHS behavioral guidelines and expectations are in effect for the entire field trip time. **Fees for field trips must be paid prior to the field trip.** Failure to pay will result in the student remaining on the campus for the day. In the event that a student is absent on the day of the trip, refunds will not be awarded. Students who have violations of school rules, are habitual truants, or are failing classes may lose the privilege of attending field trips.

### **ID CARDS:**

Current identification cards are required of all students. **Current ID cards are required for the library media center and admittance to school events.** ID cards are to be carried during school hours and while attending school activities. The cards must be available upon request of any staff member. Photo sessions for ID cards are provided at the beginning of the school year. Replacement IDs can be requested from the Bookkeeping Office with a \$5.00 fee.

### **ILLNESS OR INJURIES AT SCHOOL:**

Students that feel ill or are injured are to report to the main office. A student health room, lavatory, and first aid supplies are located in the main office. Attendance Office personnel will call a parent or guardian if the student is unable to continue for the day. **Students leaving the building without signing out at the attendance office will be considered truant and will receive a consequence for failure to sign out.**

### **LOCKERS:**

Each Watertown High School Student is assigned a hallway locker.

- Students are not allowed to share lockers or combinations.
- Students who suspect their lock is malfunctioning or that another student knows their combination should report to the Bookkeeping Office.
- Students who are enrolled in Physical Education will be assigned a locker in the locker room. Students are to lock up all belongings.
- Any personal items left on the floor or in the open are vulnerable to theft.
- **Only locks issued by WHS may be used on school lockers and must be on the locker correctly.** Personal locks will be cut and removed by school personnel.
- Watertown High School cannot guarantee full security to items stored in lockers.
- Lockers are the property of the school and are not to be written on or in. Students that write on or in their lockers are required to clean all markings from the locker at the end of

the school year. Students who fail to empty out and clean all markings from their locker could be assessed a cleaning fee.

### **LOST AND FOUND:**

The lost and found is located in the bookkeeper's office. Items are kept for one month and are then donated to charity or thrown away. Textbooks are kept for one week and then returned to the department.

### **PARKING REGULATIONS:**

Students driving and parking at WHS must purchase a parking permit and abide by all parking regulations. This privilege may be withdrawn at any time and such a decision is solely the prerogative of the school administration. Student parking permits may not be shared; a student may only use his/her parking permit on the vehicles registered in the bookkeeper's office.

**Sharing of permits by students will result in forfeiture of the fees and permits for all students involved.**

Students may not loiter in or around or sit in or on parked cars. Students may **not** go to their vehicles during the school day without being escorted by a staff member. Students who park their vehicles on school property do so at their own risk. The Watertown Unified School District is not liable for any losses or damages incurred on school property.

Students are required to use common sense when driving on school property. Students driving on school grounds in an unsafe or inappropriate manner will receive consequences, including revocation of their permit to park on school grounds. Students are required to park between the yellow lines.

### **PARKING PERMITS:**

Parking permits are \$75.00 for all three trimesters. The parking fee will be reduced at the beginning of each trimester: second trimester \$50 and third trimester \$25. Students will receive a hang tag for their vehicle(s). The hang tag must be hung from the rear view mirror. Both the primary and secondary vehicles must be registered with the bookkeeper. If a student uses an unregistered vehicle, he/she must register that vehicle with the bookkeeper before the start of the school day and pay a \$2.00 parking fee.

- When obtaining the hang tag, the student/parent must supply all necessary information (driver's license, vehicle year, make, model, color, proof of insurance, and license plate number). Students will not be provided with a parking permit unless the above information is supplied.

Hang tags may not be altered or defaced. Violations of any of these rules may result in ticketing and/or towing of vehicle and/or revocation of permit. Refunds are not given if parking privileges are revoked or if hang tags are lost or stolen.

The following will be considered a violation of regulations:

- Careless operation of a vehicle
- Excessive speed
- Non-registered vehicle
- Parking in a fire lane, faculty lot, visitor parking
