The Board recognizes the value of student participation in a broad spectrum of athletic activities. Athletic activities are an integral part of the total educational program. In addition, they serve to promote community involvement and pride in the schools. The presence of District employees and Board members at these activities offers positive affirmation to the importance of athletic activities in the total educational program of the schools.

By issuing courtesy passes to District employees and Board members, attendance at athletic events is encouraged and promoted. Employees of the District and Board members may secure a courtesy pass provided that they agree to assist when student or other spectator misconduct occurs, either by intervening or by alerting event supervisory staff, and also to assist in emergency situations.

Courtesy passes will apply at home athletic events. However, the District reserves the right to suspend the use of courtesy passes at selected school events or when prohibited by WIAA (Wisconsin Interscholastic Athletic Association).
