

**Personnel****General Personnel Policies****Professional Staff Positions**

All certified staff must hold a Wisconsin Department of Public Instruction Educator License appropriate to their assigned position. A contract with any person not legally authorized by the state to provide professional services shall be void. An employee's contract shall terminate if, and when, the state terminates the licensure of the employee.

**Policy Approved: August 19, 1987**

**Policy Revised: August 25, 2014**
