

**Students****Progress****Honor Roll**

The Watertown Unified School District shall maintain honor rolls in grades 6 through 12 for those students achieving high academic standards. There shall be two categories of academic honors: honor roll and high honor roll.

Eligibility requirements shall be established for honor roll placement.

A list of honor roll students shall be published in the local newspaper and posted in the school office.

Students in grades three through five may also be recognized through an honor roll at the discretion of the building principal. The building principal shall establish eligibility requirements. Names may be posted in the school office and/or in the newspaper at the discretion of the building principal.
