

Students**Activities****Student Conduct**

Students in the Watertown Unified School District shall be expected to act in such manner that their behavior will reflect favorably on the individual student and on the school, show consideration for fellow students, and promote good decorum and a favorable academic atmosphere. To accomplish this, each student must recognize individual responsibilities and obligations and discharge them accordingly.

Students are expected to abide by the District's Code of Classroom Conduct, student conduct rules and codes established by the building principal, and all Board policies relating to student conduct. These student conduct expectations shall be communicated to students and parents and guardians annually through student handbooks and through other appropriate means as necessary to make them known and understood.

The building principal has primary responsibility for ensuring proper student conduct is maintained in the school building and during school-sponsored activities under this/her charge. District staff have responsibility for supervising the behavior of students and for seeing that they comply with student conduct policies, rules and codes. Failure by students to comply with such policies, rules and codes shall result in appropriate disciplinary action. In addition, failure to abide by the Code of Classroom Conduct may result in student removal from class by the teacher and placement in an alternative setting as outlined in the code.

The District shall not discriminate in standards and rules of behavior, including student harassment or disciplinary actions on the basis of sex, race, religion, national origin, color, ancestry, creed, pregnancy, marital or parental status, sexual orientation, physical, mental, emotional or learning disability or handicap. Discrimination complaints shall be processed in accordance with established procedures.
