

Students**Activities****Use/Dispensing of Creatine and Other Nutritional Supplements**

The District strongly opposes student use of creatine or any other nutritional supplement. Students are prohibited from having performance enhancers on school premises or at school activities. Coaches and other school employees are prohibited from recommending student use of nutritional supplements (including creatine) or being involved in the dissemination of such products to students. Any coach or other school employee who violates this policy shall be subject to disciplinary action in accordance with established District procedures and/or provisions of current employee agreement.
