

**Instruction****Instructional Arrangements****School Store**

The Board of Education recognizes the value of realistic business experiences for students participating in the business education program. Therefore, the high school may operate a school store.

The Distributive Education Clubs of America (DECA) advisor shall be responsible for developing appropriate operational guidelines for the school store.

**Policy Approved:                    May 15, 1985**

**Policy Revised:                    April 28, 2014**
