The Board believes that school libraries/media centers are a fundamental part of the educational program. The availability of many materials in a variety of formats allows students and teachers to select the media best suited for individual need and mode of learning.

Hence, the Watertown Unified School District shall maintain quality school libraries/media centers. All libraries/ media centers shall be maintained in accordance with specific Board guidelines and the Library Bill of Rights of the American Library Association.

The Superintendent or his/her designee, shall be responsible for maintaining the quality of school libraries/media centers.
