

THANK YOU!

On behalf of the Watertown Unified School District Board of Education and Administration, I would like to thank our district staff, community members, taxpayers, families and friends for supporting the 2018 WUSD Operational Referendum. We want to thank the entire community for your ongoing support of our work together in education.

The successful passage of this referendum will help the WUSD offset our budget deficit over the next five years. During that time the WUSD will continue to be good stewards of your taxpayers' dollars – we will maintain a flat mill rate of \$8.98, and we will be continuing to make budget reductions at the average rate of \$700,000/per year for each of the next five years. We will also maintain our commitment to excellent programming for our students and families including a K-12 STEM program, dual-language programming, and K-12 eCampus online learning opportunities.

Thank you for supporting our students, families, schools, and the community of Watertown. We are grateful for the support of our community, and we look forward to continuing to build strong relationships with our taxpayers and community members for many years to come.

Your partner in education,
Cassandra Schug
Superintendent of Schools
