Jefferson County Housing Stabilization Project

The Homeless Prevention and Rapid Re-housing Program (HPRP) was created by the American Recovery and Reinvestment Act of 2009.

HPRP provides financial assistance and services to either prevent individuals and families from becoming homeless or help those who are experiencing homelessness to be quickly re-housed and stabilized.

HPRP assistance is not intended to provide long-term support for program participants. Assistance is temporary and will help individuals and families become linked to the help needed to stabilize housing.

Who can get assistance?

1. Do you have an eviction notice?
2. Are you currently homeless?
3. Do you need legal assistance with your landlord or dealing with your lease?
4. Do you have a court date for an eviction?
5. Is your income *less* than the following amounts? (50% of County Median Income)

HH Size	1	2	3	4	5
Annual Income	\$23,650	\$27,000	\$30,400	\$33,750	\$36,450
Monthly Income	\$1,971	\$2,250	\$2,533	\$2,813	\$3,038
