	Session 2 .....	10:55 am – 1:35 pm
	<i>Break</i> .....	11:45-11:50 & 12:40-12:45

**Tuition**

Regardless of the school attended during the regular term, students who live in the Watertown School District may enroll tuition free. **Those living outside the Watertown School District must pay tuition unless open-enrolled in WUSD.** Interested individuals should call the Educational Service Center at 262-1460.

**Attendance**

If your child is going to be absent, it is important to notify the attendance office prior to or the morning of the absence. If your child is attending Summer School at Watertown High School, please call 262-7500. If your child is attending Summer School at Lincoln Elementary STEM School, please call 262-1465.

Students enrolled in summer school courses are encouraged to attend all classes. Students enrolled in “make-up” or “remedial” courses **must** attend all classes, except for emergencies or permission from the Summer School Director. Students who are absent more than two class sessions will receive **no credit**. Freshman Health and Money 101: 100% Attendance is required in order to receive the .5 credit.

Tardy Policy: Students are required to be in their classrooms when the bell rings at the beginning of each session and at the end of all breaks. If a student is not in the room when the bell rings, they are considered tardy. A student arriving more than five minutes after the bell of any particular session will receive a 1/3 absence. A student leaving early from any class session will also receive a 1/3 absence.

**Registration for most Summer School courses is free.**

There are some classes that require a project or participation fee.

The complete list of those courses is listed in the table below:

<b>Grades 1-4 Courses with Fees</b>		<b>Grades 5-8 Courses with Fees</b>	
<b>Course</b>	<b>Fee</b>	<b>Course</b>	<b>Fee</b>
*Bowling	65.00	Beading	15.00
Disney Days	5.00	*Bowling	65.00

Rockets	15.00	Ceramics & Sculpture	10.00
Snack Time	10.00	Curious Cooks	15.00
Stamping	10.00	*Frisbee Disc Golf	10.00
*Wrestling	5.00	**Rising Stars	8.00
		Rockets	15.00
		Scrapbooking	10.00
		Stamping	10.00
		*Wrestling	5.00

**\*SIGNED WAIVER REQUIRED/\*\*T-SHIRT FORM REQUIRED**

**All course fees must be received by the Summer School office at Lincoln Elementary STEM School within two weeks of online scheduling, or your child will be dropped from courses with fees. If a course is dropped due to non-payment, a non-fee course will be substituted in that session or sessions, based on seat availability. Liability waivers, lunch forms and bussing requests may be mailed to or dropped off at Lincoln Elementary STEM School between the hours of 7:30 am and 4:00 pm, Monday through Friday. Lincoln Elementary STEM School is located at 210 N Montgomery Street. This is the only location where summer school items will be accepted.**

## TRANSPORTATION

**May 10th is the deadline for signing up for rural and shuttle bus service.**  
**Please contact Jean Vesper at 262-1465 to schedule bussing services.**  
**Students registering after the deadline will need to call**  
**Transportation Services at 261-5062 for clearance and availability.**

### Shuttle Bus Services Sites:

- ✓ **Douglas Elementary**
- ✓ **Lincoln Elementary STEM School**
- ✓ **Riverside Middle School**
- ✓ **Schurz Elementary School**
- ✓ **Webster Elementary School**
- ✓ **Pepsi West Side Subdivision**
- ✓ **Rural**

**Shuttle bus students MUST be at their pick-up site by 7:10 AM each day.** Adult supervision is provided on the shuttle buses; however, it is NOT provided at the shuttle bus sites. Please make every effort to be at the sites at the end of the day to pick-up students at the appropriate time. Please contact the Summer School office (262-7500) immediately in the event a child has not arrived home at the expected time.

If special transportation arrangements or a change in routine are in order for a student, parents must call the school, TSI and send a note with the student. If there is a miscommunication, the student will be taken to the high school.

### Bus Rules

**Students are responsible for demonstrating safe & appropriate behavior while riding the bus. Expectations and consequences will be consistent with those required during the course of the regular school year.**

Previous to loading, on the road and at school:

1. Students should be on time at the designated loading zone (5 minutes prior to scheduled stop).
2. Students should stay off the road at all times while walking to, or waiting for the bus. They should line up single file on the sidewalk off the roadway.
3. Students should wait until the bus is completely stopped before moving forward to enter. If a student must cross a highway, he/she should not cross until the bus driver signals that it is safe.
4. Students should enter the bus single file and go immediately to a seat and be seated.
5. If a student is going to be absent, his/her parents/guardian should inform the family of the student who is picked up one bus stop before, or call the bus company, so they can relay a message to the driver.

**Use of Video Camera on the School Bus:** The Watertown Unified School District approves the use of video cameras on the school buses for the primary purpose of reducing disciplinary problems and vandalism on the bus, thereby allowing the driver to focus on the driving of the bus, providing for safer transportation for our students. In addition, video cameras are utilized in viewing the Watertown High School Parking Lot for the primary purpose of reducing disciplinary problems and vandalism.

**Bicycle racks** are available at the main entrance of each school. Bike locks are required.  
The Watertown Unified School District is not responsible for lost, damaged, or stolen bicycles.

## **PRE- KINDERGARTEN (4K) PROGRAM**

This program is intended for children who will be:

- ✓ 5 YEARS OF AGE ON OR BEFORE SEPTEMBER 1<sup>ST</sup>, 2018
- ✓ ENTERING KINDERGARTEN IN THE FALL OF 2018
- ✓ RESIDE WITHIN THE WATERTOWN UNIFIED SCHOOL DISTRICT

**Classes will be held at:**  
**Lincoln Elementary STEM School: 210 N. Montgomery St.**  
**\*This class meets from 8:00 a.m. to 11:30 a.m.\***

Please register early, as the classes do fill quickly.  
MAXIMUM NUMBER OF STUDENTS PER CLASS: 22

A registration form is required to be complete in order to enroll for the 4K Summer School Program. This form, and other information regarding Summer School, is found on our Summer School webpage at: [http://www.watertown.k12.wi.us/schools/esc\\_summerschool.cfm](http://www.watertown.k12.wi.us/schools/esc_summerschool.cfm). Please return completed forms to Schurz Elementary School by **May 3<sup>rd</sup>, 2018**. Forms may also be scanned and e-mailed to [caudlej@watertown.k12.wi.us](mailto:caudlej@watertown.k12.wi.us).

**SUMMER SCHOOL OPEN HOUSE:** Monday, June 18<sup>th</sup>, 2018 from 4:00pm-6:00pm

### **CURRICULUM:**

The purpose of this program is to help your child get ready for kindergarten. The curriculum for this program will focus on:

1. Learning readiness skills.
2. Social interaction skill development related to building new adult and peer friendships.
3. Learning social skills of how to share and take turns.
4. Acquisition of listening and following directions skills.
5. The development of language skills through a variety of language experiences.
6. Hands-on exploration of various types of art media.
7. The development of physical and coordination skills through games of low organization.
8. Music activities related to group singing and rhythms.

**ABSENCES:** If your child is going to be absent, please call the school office at 262-1465.

**BUS STUDENTS: IMPORTANT!** A name tag will be provided for all 4K and Kindergarten children riding rural and shuttle buses. These tags will include their name, school destination, address, home phone number, and bus route number or shuttle site. The tags MUST be worn for all 20 days of Summer School. Rural bus transportation and the city shuttle bus service will be provided before school and at 11:30 a.m.

**Please have children dressed appropriately for the weather. Children should wear tennis shoes or sandals with backs. NO FLIP-FLOPS PLEASE!**

# KINDERGARTEN PROGRAM

## KINDERGARTEN LEVEL COURSES ARE INTENDED FOR CHILDREN ENTERING THE FIRST GRADE IN THE FALL OF 2018

**Kindergarteners must enroll for Summer School courses using Skyward Family Access. If you do not know your Skyward username/password, please e-mail Sharon Zastrow at [zastrows@watertown.k12.wi.us](mailto:zastrows@watertown.k12.wi.us) to retrieve this information.**

**ATTENTION: Online Scheduling will close May 3<sup>rd</sup>, 2018**

All kindergarten classes are held at **Lincoln Elementary STEM School** – 210 N. Montgomery St.

Please schedule early, as the classes do fill quickly.

**All Kindergarten courses will be held in two sessions:**

**Session I 8:00-9:30 a.m.      Session II 9:50-11:30 a.m.**

If your child is going to be absent, please contact the school office at 262-1465.

**BUS STUDENTS: IMPORTANT!** A name tag will be provided for all Pre-Kindergarten and Kindergarten children riding rural and shuttle buses. These tags will include their name, school destination, address, home phone number and bus route number or shuttle site. The tags MUST be worn for all 20 days of Summer School. Rural bus transportation and the city shuttle bus service will be provided before school and at 11:30 a.m. There will be no bus transportation at 9:30 a.m. If your student needs bus transportation, please e-mail Jean Vesper at [vesperi@watertown.k12.wi.us](mailto:vesperi@watertown.k12.wi.us) or call (920)262-1465 prior to May 10<sup>th</sup>. After May 10<sup>th</sup>, you will need to contact the bus company directly at (920)261-5062 to set-up transportation.

### **Fundamentals for First Grade Reading**

This class is designed to maintain/improve students beginning reading skills. Goals include working on letter names, letter sounds, formation of letters and beginning sight words. Students will be involved in whole group, small group/partner and individual reading based on their end of year reading level.

*\*Enrollment requires the kindergarten teacher's recommendation.*

### **Fundamentals for First Grade Math**

This class is manipulative/game based and designed to increase students understanding of math concepts and skills that are needed to be successful in first grade. Need will be based on the end of the year Kindergarten math assessments.

*\*Enrollment requires the kindergarten teacher's recommendation.*

### **Looking Ahead to Grade 1**

Curious about first grade curriculum? Then participate in this all-around program designed to prepare students for their first grade experience. Activities include: teaching and/or strengthening skills related to reading, writing, phonics and math. During weekly themes students will journal write, listen to stories, practice reading skills and explore science through experiments.

*\*Enrollment requires the kindergarten teacher's recommendation.*

### **Books are Fun!**

Calling all book worms! Join us as we gain a better understanding of and appreciation for children's literature. Through exposure to different reading selections, students examine author and illustrator roles, identify different parts of a book, and increase reading for enjoyment. Activities include creating individual books, expanding and adding to existing stories, acting out stories, as well as a host of other hands-on projects.

### **Fun and Games**

Twist and shout! It's time to shake those couch potato blues! This class provides students with a variety of team and individual games, art activities, and books. Students learn good sportsmanship and positive self-esteem, as well as learning that physical activity is fun and good for you. Emphasis is placed on developing fine and gross motor skills, cooperation and having fun!

### **Discovery Zone**

Come discover how to make ice cream, dinosaur fossils, moon sand, goop, butter, volcanoes, and scratch art. Learn how to color pasta, make your own bubbles and many more fun, hands-on activities!

### **Wiggles, Squiggles, & Giggles**

Children will be making wonderful art projects with a twist! They'll learn new versions of familiar songs and plays, and make "props" to go along with them, such as finger puppets or masks. You will be asked to furnish various household items for projects.

## GRADES 1-4

### GRADES 1 – 4 COURSE OFFERINGS

**ATTENTION: Online Scheduling will close May 3<sup>rd</sup>, 2018**

**Courses with insufficient enrollments will be cancelled.  
All courses have a maximum number of students per class.  
Once this number has been reached, enrollment will be denied. NO EXCEPTIONS!**

#### **VERY IMPORTANT:**

**Choose courses according to the grade the student was in during the 2017-18 school year.**

#### **ENRICHMENT CLASSES**

##### **Mega-bytes of Fun 3 & 4**

This course is designed to satisfy every child's appetite for computer fun. Students explore the latest in exciting interactive software on PC computers.

##### **Arts and Crafts 1 & 2**

Exercise your creativity and help save the environment at the same time! Projects can be completed in one or two class periods. We will use many household items that are recycled from home such as jars, paper towel tubes, styro-foam trays, lids, etc., making this class fun and environmentally sound! Skills typical of first and second graders, such as cutting, pasting, coloring, painting and basic construction techniques will be used. Parents must provide most of the supplies for their child.

##### **Arts and Crafts 3 & 4**

Here's your chance to use various artistic mediums. These projects are made from recyclable materials or household objects, which allows you to recreate these items at home. A wide variety of types of projects are covered, so there is something for everyone. Bring your creativity and see that your art is not right or wrong, good or bad, but it is just unique!

##### **Drama and Acting**

Students will have the opportunity to perform in a musical where they will sing, dance, and act on the big stage for a live audience. A performance will be held on Tuesday, July 18th during their class period as well as that evening. Time is TBA. **Parents:** Please make sure your schedule allows your child to be at both of these performances.

##### **Let the Games Begin**

This course is an alternative to physical education games. Don't you love to play Board Games? This course is a survey of classic board games, including chess and other games of strategy!

##### **Rising Stars**

###### **Fee: \$8.00 and T-shirt order form**

Did you ever want to sing and dance on the big stage in front of a live audience with your friends? This class gives you your chance to shine like the stars!

**Parents:** Please make sure your child is able to attend the performance on the evening of Thursday, July 19th. Time is TBA. This performance is the culmination of all 20 days of your child's hard work in class!

##### **Yoga & Creative Movements 2-4**

Students will engage in meaningful fun movement activities, using music and stories. The class will explore basic yoga movements that will increase strength, flexibility and balance. They will also explore breathing and mindfulness techniques to reduce stress and develop attention and concentration.

##### **Snack Time**

###### **Project Fee: \$10.00**

In this class, students will have an opportunity to learn about healthy living by participating in a brief exercise period and by learning about the food pyramid and all five food groups. They will also make healthy snacks that incorporate ingredients from the various food groups.

## **GRADES 1-4**

### **Stamping/Paper Crafting 2-4**

#### **Project Fee: \$10.00**

Make greeting cards and fun gift ideas with rubber stamps. Each week you'll take home great crafts and cards to give to your friends and family.

### **Disney Days**

#### **Fee: \$5.00**

Welcome to Disney Days, where your child will revisit the magic of Disney stories through arts, crafts, snacks, music, and movement.

Activities will be centered on the Disney movies we all know and love. Join us as we have fun exploring Disney!

## **FOREIGN LANGUAGE**

### **Spanish**

Learn about the customs and traditions of Spanish speaking people through the study of basic Spanish. The alphabet, colors, days of the week, month, numbers from 1-100 and basic phrases are just a sample of some of the units taught. Some activities include singing Spanish songs and learning Mexican dances. Games such as Bingo, Around the World, Twenty Questions, and Memory are played to learn Spanish words. These activities will help you develop an interest of the Spanish language and a desire to learn more.

### **Dual Language**

#### **\*SCHURZ DUAL LANGUAGE STUDENTS ONLY**

This course is solely intended for students attending Schurz Elementary School that are currently enrolled in the Dual Language program in first through fourth grade. Continued language development will be emphasized. Not open to online scheduling.

## **MATHEMATICS**

### **Math 1**

This course is designed for students needing extra help with their math skills. This course reviews and reinforces basic math skills taught/learned during the regular school year.

### **Math 2**

This course is designed for students needing extra help with their math skills. This course reviews and reinforces basic math skills taught/learned during the regular school year.

### **Math 3**

This course is designed for students needing extra help with their math skills. This course reviews and reinforces basic math skills taught/learned during the regular school year.

### **Math 4**

This course is designed for students needing extra help with their math skills. This course reviews and reinforces basic math skills taught/learned during the regular school year.

## **PHYSICAL EDUCATION**

### **Balls... Balls... Balls**

If you like to play basketball, dodge ball, and survivor this class is for you. This class is designed to get the most fun out of your summer, while practicing teamwork and good sportsmanship.

#### **Gym shoes required.**

### **Wrestling**

#### **Fee: \$5.00 and Waiver**

Students will learn the fundamentals of wrestling. This instructional course is offered for students of any ability level.

### **Bowling**

#### **Fee: \$65.00 and Waiver**

Students will learn bowling techniques and scoring. Students will be transported to Watertown Bowl 18 for bowling practice!

### **Games Galore 3 & 4**

Games Galore will consist of exciting lifetime games that include ultimate Frisbee, Passball, Team Handball, and Softball/Floor Hockey. They will be broken down into 4 day units with a game day to follow the end of each unit. A baseball/softball glove will be needed. Come prepared to have fun!

### **Gymnastics: Waiver**

Students will be taught many aspects of a gymnastics program. This instructional course is offered for students of any ability level.

## GRADES 1-4

### **Biking the Town Grades 3 & 4: Waiver**

#### **Students MUST be experienced bike riders!**

Students taking this class will learn basic bicycle maintenance, safety, and practical riding skills via classroom discussion and on-the-road practice. They will also gain the knowledge needed to make informed decisions while riding in traffic. Get ready to HAVE FUN while applying your newfound skills on group rides around "The Town." **PLEASE BE SURE that you have a helmet and that your bike is in working order.**

### **Tennis: Waiver**

TRY Tennis...LOVE Tennis... Calling all students interested in Tennis! This is an opportunity to learn the basics, or tune up your current skills. You may bring your own racket or one will be supplied for you. Instruction will be given regardless of your level with opportunities to play other students at similar skill levels. This is your big chance to enjoy the game that is sweeping Watertown!

### **Walk and Talk: Waiver**

A delightful way to get low impact exercise while you walk and talk with your friends....and maybe make some new ones! Wear walking shoes – NO heels or sandals.

### **Wild World of Sports 1 & 2**

Engage in physical activities while developing a positive self-image and an ability to interact well with others. Several different games are played each day. Relay races, tumbling, mat ball, hula hoops, jump ropes, and tag games are just a sampling of the wide variety of games offered.

## **READING**

### **Book Club Fanatics 3 & 4**

This course focuses on continuing to encourage reading throughout the summer. The goal of this class is to teach kids to love reading by exposing them to engaging books. This course is appropriate for students reading at or above grade level. Class activities include read-to-self time, book clubs, book talks and well-loved read alouds.

### **Book Club Fanatics 1 & 2**

This course focuses on continuing to encourage reading throughout the summer. The goal of this class is to teach kids to love reading by exposing them to engaging books. This course is appropriate for students reading at or above grade level. Class activities include read-to-self time, book clubs, book talks and well-loved read alouds.

### **Calling All Authors 3 & 4**

Students will learn the fun of creative writing. They will be guided into excellence in the written language. This course is for students who enjoy writing and want to have fun with it!

### **Ready to Read - Grade 1**

#### **Teacher Recommendation Required**

This course is designed for students to review essential concepts in reading and continue to improve their reading through a variety of activities and experiences with written text. Reading strategies will be used to meet the individual reading levels of each student. Students will review essential reading standards from the previous grade and preview skills for the upcoming grade.

### **Guided Reading - Grade 1**

Students scheduled in this class would have received recommendation from their teachers. This course emphasizes individual and small group reading, decoding skills (phonics), building sight vocabulary and writing. Not open to online scheduling.

### **Ready to Read - Grade 2**

#### **Teacher Recommendation Required**

This course is designed for students to review essential concepts in reading and continue to improve their reading through a variety of activities and experiences with written text. Reading strategies will be used to meet the individual reading levels of each student. Students will review essential reading standards from the previous grade and preview skills for the upcoming grade.

### **Guided Reading - Grade 2**

Students scheduled in this class would have received recommendation from their teachers. This course emphasizes individual and small group reading, decoding skills (phonics), building sight vocabulary and writing. Not open to online scheduling.

## **GRADES 1-4**

### **Ready to Read - Grade 3**

#### **Teacher Recommendation Required**

This course is designed for students to review essential concepts in reading and continue to improve their reading through a variety of activities and experiences with written text. Reading strategies will be used to meet the individual reading levels of each student. Students will review essential reading standards from the previous grade and preview skills for the upcoming grade.

### **Ready to Read - Grade 4**

#### **Teacher Recommendation Required**

This course is designed for students to review essential concepts in reading and continue to improve their reading through a variety of activities and experiences with written text. Reading strategies will be used to meet the individual reading levels of each student. Students will review essential reading standards from the previous grade and preview skills for the upcoming grade.

### **I Can Write 1 & 2**

This is a remedial class intended for students who need help learning to write. Any students challenged by writing are encouraged to enroll. Students will improve in both reading and writing by participating in fun and creative writing activities. Additionally, **students who are invited by certified reading staff to participate in Early Reading Empowerment (ERE) are required to schedule this class.**

### **Reading Express – Grade 1**

Jump on the Reading Express to be ready for 2<sup>nd</sup> grade! This course is for students who want to maintain and improve their reading skills. Students will read engaging texts to stay on track. Second grade standards will be introduced. This course is designed for “on grade level” readers.

### **Reading Express – Grade 2**

Jump on the Reading Express to be ready for 3<sup>rd</sup> grade! This course is for students who want to maintain and improve their reading skills. Students will read engaging texts to stay on track. Third grade standards will be introduced. This course is designed for “on grade level” readers.

### **Reading Express – Grade 3**

Jump on the Reading Express to be ready for 4<sup>th</sup> grade! This course is for students who want to maintain and improve their reading skills. Students will read engaging texts to stay on track. Fourth grade standards will be introduced. This course is designed for “on grade level” readers.

### **Reading Express – Grade 4**

Jump on the Reading Express to be ready for 5<sup>th</sup> grade! This course is for students who want to maintain and improve their reading skills. Students will read engaging texts to stay on track. Fifth grade standards will be introduced. This course is designed for “on grade level” readers.

## GRADES 1-4

### **SCIENCE**

#### **Dino Dig**

What was the earth like millions of year ago? We know that dinosaurs roamed the earth. Study the different kinds of dinosaurs and their habitats!

#### **Mad Scientists 1 & 2**

Be a part of enriching, experimental science activities. Experience science through hands on activities such as craft projects, demonstrations, worksheets, and outdoor activities.

#### **Oceanography 3 & 4**

Come explore the depths of the ocean in Oceanography. In this course you will dive into learning by exploring the many animals, plants, habitats, and structure of our great bodies of water. Through the creative use of dioramas, painting, and other kinesthetic activities you too can become a great explorer of our oceans.

#### **Rockets & Motion 3 & 4**

##### **Project Fee: \$15.00**

Have a blast as you develop the hobby of rocket-building! Construct your very own model rocket. Learn how real rockets get off the ground and prepare to launch your rocket high in the sky!

#### **Science Rocks 2-4**

Come and join us in an exciting hands-on science adventure exploring electricity, magnets, sound, water, forces and motion. Each day you will learn more about science through fun science experiments and have a blast in the process! We welcome all students in grades 2-4 to come and see how science rocks!

#### **Amazing Animals 1 & 2**

Students explore the world of animals. They learn about animals in the wild, such as birds, amphibians, reptiles, and mammals, as well as farm animals. Also covered are the diet, habitat and their young, as well as interesting facts about each animal. New curriculum is implemented every other year on a rotating basis.

#### **Origami-Mania 3 & 4**

Here is an exciting class where students create amazing works of art out of one material – paper! We will make games, boxes, flowers, animals and more. Students will learn patience while having an enjoyable cultural experience.

## GRADES 1-4

### Elementary Grades 1-4 Course Selection

Please choose classes based on the grade your child will complete in June 2018.

(E.g. Games Galore 3-4 if your child has just completed Grade 3 or Grade 4)

Please note any additional course fees behind class name.

**Supplies:** Students are encouraged to bring general school supplies such as pencils, crayons, scissors, and glue.

**COURSES MAY NOT BE AVAILABLE BASED ON NUMBER OF STUDENTS ENROLLED.**

#### Session 1

## GRADES 5-8

### GRADES 5 - 8 COURSE OFFERINGS

**ATTENTION – Online scheduling closes on May 3<sup>rd</sup>, 2018. Courses with insufficient enrollments will be cancelled. All courses have a maximum number of students per class. Once this number has been reached, enrollment will be denied. NO EXCEPTIONS!**

**IMPORTANT! – Courses should be chosen according to grade level just completed.  
Students in Grades 5 – 8 may sign up for a maximum of 5 sessions.**

#### **ENGLISH LANGUAGE ARTS**

##### **English (ELA) 6, 7 or 8**

These courses cover independent reading, guided reading, reader's response, writing process, and Step up to Writing. Students who failed, or wish to have some reading enrichment may take this class.

##### **Reading 5 (Remedial)**

Learn about making connections, predicting, inferring, questioning, evaluating, summarizing, as well as monitor/clarifying. Texts will be read as a group. Become a strong, knowledgeable reader!

#### **MATHEMATICS**

##### **Math 6 - 8**

These courses review and reinforce Math. How to add, subtract, multiply and divide whole numbers, fractions and decimals will be the focus. Students who failed, or wish to have some math enrichment may take this class. ***Bring paper, pencil & calculator!***

##### **Math 5**

Learn multiplication, division, fractions, percent, decimals and factors. Days will include lessons as well as math games. Become a strong math student!

#### **SOCIAL STUDIES**

##### **Passport to Geography 6-8**

Grab your passports. We're taking a virtual trip around the world! We will research 6 of the 7 continents and several countries you may like to visit. Have your "passport" stamped and create an information album to record what you saw and where you went. **This class will fill the requirement for students that failed 8<sup>th</sup> grade Social Studies.**

#### **ENRICHMENT CLASSES**

##### **Beading**

##### **Project Fee: \$15.00**

Students will learn the art of beading and jewelry making!

##### **Card Games Galore**

This course consists of card games including Phase 10, Rook, Hearts, Cribbage, Euchre, Sheephead etc. The goal is to keep some of these card games alive!

##### **Computer Applications Plus**

Experience computer hardware and software through keyboarding, software tools (examples: cut, copy, paste, tool bars, windows, file organization, clip art), Internet hardware/software, search tools and techniques. Create PowerPoint presentations with text and pictures from the Internet.

##### **Curious Cooks**

##### **Fee: \$15**

This class is for the student who wants to make more than peanut butter and jelly sandwiches. It is a mix of baking and cooking to improve kitchen skills and encourage students to cook at home.

##### **Drama and Acting**

Students will have the opportunity to perform in a musical where they will sing, dance, and act on the big stage for a live audience. A performance will be held on Tuesday, July 19 during their class period as well as that evening. Time is TBA. **Parents:** Please make sure your schedule allows your child to be at both of these performances.

##### **Yoga & Creative Movements**

Students will engage in meaningful fun movement activities, using music and stories. The class will explore basic yoga movements that will increase strength, flexibility and balance. They will also explore breathing and mindfulness techniques.

## GRADES 5-8

### How to be a “Localvore” – Waiver (Gr 6-8)

#### \*Course held at RMS – Bussing to WHS

What is a “localvore”? Knowing where our food comes from is one way young adults can make healthier choices for better nutrition and reduce our carbon footprint. A majority of this course is held outdoors. Students will explore the pros and cons of locally grown sustainable food systems. This double session class will incorporate hands-on activities, documentaries such as *King Corn* and *Food, Inc.*, science inquiry, and guest speakers. Concepts from Next Generation Science Standards include: Matter and Energy in Organisms and Ecosystems, Interdependent Relationships in Ecosystems, Human Impacts on Earth Systems and Engineering Design. Students who failed **science** may take this for make-up credit.

### Rockets & Motion Project Fee: \$15.00

Have a blast as you develop the hobby of rocket-building! Construct your very own model rocket. Learn how real rockets get off the ground and prepare to launch your rocket high in the sky!

### Scrapbooking Project Fee: \$10.00

“Scrapbooking” isn’t just for snapshots anymore. Using a theme, a collection or specimens from nature, organize ideas and objects and produce creative ways to store and display your interests.

### Ceramics & Sculpture - Project Fee: \$10.00

Students will learn core clay building methods, including pinch, slab and coil and will learn new and unique ways to decorate the surface. We will also create sculptural works of art using a variety of materials such as tape, paper mache, wire, cardboard, wood and paint. Explore the works of artists and cultures past and present.

### Stamping - Project Fee: \$10.00

Make greeting cards and fun gift ideas with rubber stamps. Each week you’ll take home great crafts and cards to give to your friends and family.

### Stock Market Games

Learn about the stock market, ways of investing, and terms associated with the stock market. Students will do a simulation where they are given a certain amount of imaginary money to invest. Have fun playing the Stock Market!

### Origami-Mania

Here is an exciting class where students create amazing works of art out of one material – paper! We will make games, boxes, flowers, animals and more. Students will learn patience while having an enjoyable cultural experience.

### Cake Decorating

#### Project Fee: \$15.00

Have you ever wondered how to create those fun and colorful cookies and cakes? You will learn frosting techniques, such as stars, flowers and stripes. Bake your own cookies and cakes! Come learn and have a great time!

## MUSIC

### Rising Stars 5-8

#### \$8.00 and T-shirt order form

Did you ever want to sing and dance on the big stage in front of a live audience with your friends? This class gives you your chance to shine like the stars! **Parents:** Please make sure your child is able to attend the performance on the evening of Thursday, July 19th. Time is TBA. This performance is the culmination of all 20 days of your child's hard work in class!

### \*BAND/ORCHESTRA CAMPS (Aug 19-23, 2018)

#### \*This is NOT offered during Summer School

Band/Orchestra Camp at RMS is open to those students **ENTERING** grades 6, 7 and 8.

**The Riverside Middle School band and orchestra departments organize these summer camps. You do not need to fill out a summer school enrollment form or enroll online for band/ orchestra camp.**

### There is no enrollment fee for music camps.

\*Students from parochial schools are also welcome to attend, but please call to enroll.

A letter containing band/orchestra camp information will be sent in July if you have signed up for band or orchestra at RMS for the 2018-2019 school year.

Please contact middle school band director Wanda Doughty at 920-988-8539 or email [doughtyw@watertown.k12.wi.us](mailto:doughtyw@watertown.k12.wi.us) with questions.

## **GRADES 5-8**

Summer Band/Orchestra camps for Riverside Middle School students will take place during the week of **August 19-23, 2018 from 8:00am to Noon at the Riverside Middle School** Band/Orchestra rooms.

### **Beginning Strings**

Held at [Riverside Middle School Orchestra Room](#)  
Beginning Strings is intended for students with NO orchestra experience or students changing instruments, who will be entering grades 6 or 7 in the fall of 2018. Students will be assigned a 45-minute lesson at either 8:00, 9:00, or 10:00am.

### **Intermediate Strings 7-8**

Held at [Riverside Middle School Orchestra Room](#)  
Intermediate Strings is intended for students with one or more years of experience on their instrument. The time schedule for these students will be from 11:00-11:45am. Students will perform a concert for the public on Friday of this week in the RMS cafeteria at 11:00am.

### **Beginning Band**

Held in [Riverside Middle School Band Room](#)  
Beginning Band is intended for students with NO band experience or students changing instruments, who will be entering grades 6 or 7 in the fall of 2018. Students will be assigned a 45-minute lesson at either 8:00, 9:00, or 10:00am.

### **Intermediate Band 7-8**

Held in [Riverside Middle School Band Room](#)  
Intermediate Band is intended for students with one or more year of experience on their instrument. The time schedule for these students will be from 11:00-11:45am. Students will perform a concert for the public on Friday of this week in the RMS gym at 11:00am.

## **PHYSICAL EDUCATION**

### **Balls... Balls... Balls**

If you like to play games with balls, then this class is for you! In this class you will get to play a number of different games, including basketball, soccer, dodge ball, and survivor to name a few. This class is designed to get the most fun out of your summer, while practicing teamwork and good sportsmanship.

### **Bowling**

#### **Fee: \$65.00 and Waiver**

Strike! Students will receive instruction on bowling techniques. They will be transported most days to Watertown Bowl for bowling practice.

### **Games Galore**

Games Galore will consist of exciting lifetime games that include Ultimate Frisbee, Passball, Team Handball, and Softball/Floor Hockey. They will be broken down into 4 day units with a game day to follow the end of each unit. A baseball/softball glove will be needed. Come prepared to have fun!

### **Gymnastics - Waiver**

Students will be taught many aspects of a gymnastics program. This instructional course is offered for students of any ability level.

### **Wrestling**

#### **Fee: \$5.00 and Waiver**

Students will learn the fundamentals of wrestling. This instructional course is offered for students of any ability level

### **Tennis – Waiver**

TRY Tennis...LOVE Tennis... Calling all students interested in Tennis! This is an opportunity to learn the basics, or tune up your current skills. You may bring your own racket or one will be supplied for you. Please wear tennis shoes and socks, along with comfortable clothing to participate.

## GRADES 5-8

### Frisbee Disc Golf

#### Fee: \$10.00 and Waiver

Disc golf is a fast growing outdoor activity that can be enjoyed by everyone. Similar to golf, the object of disc golf is to complete each hole in as few throws—or strokes—as possible. Instead of using golf clubs and a golf ball, disc golfers use a flying golf disc to traverse the hole. Learn basic throws and improve your skill level while having fun. This course is taught by a professional disc golfer

### Strength and Speed

#### Waiver (Only Grades 6 & 7)

The Watertown High School Summer Strength and Speed Program offers students the opportunity to become better athletes through a sound workout program of both weight and speed training. Students who participate in this program will be better prepared to have success in their respective sports. The three goals of the program are:

- To give each athlete a greater chance to reach his/her potential.
- To help increase each athlete's self-confidence and self-esteem.
- To offer an opportunity for athletes to compete and work hard every day they attend a workout session.

### Soccer 1 – Waiver

This course will give students an introduction to the game of soccer, develop basic skills and equip students with an understanding of the rules. This class is for beginners, those new to the game or leaving to play small-sided games. While some competition will be introduced, the goal is to have fun and learn the game.

### Soccer 2 – Waiver

This course is intended to enrich student understanding and appreciation for the game of soccer. The course is designed for students who have experience in soccer and are comfortable playing the game competitively. Students will develop their fundamental skills and knowledge of the game through soccer activities.

### Biking the Town Grades 5 – 8 : Waiver

#### **Students MUST be experienced bike riders!**

Students taking this class will learn basic bicycle maintenance, safety, and practical riding skills via classroom discussion and on-the-road practice. They will also gain the knowledge needed to make informed decisions while riding in traffic. Get ready to HAVE FUN while applying your newfound skills on group rides around "The Town." **PLEASE BE SURE that you have a helmet and that your bike is in working order.**

## GRADES 5-8

### Middle School Grades 5-8 Course Selection

Please choose **ONE CLASS** per session.

**CHECK WITH YOUR GUIDANCE COUNSELOR TO SEE WHICH CLASSES SHOULD BE TAKEN FOR ENRICHMENT IF THEY ARE FAILING A CLASS.**

If a grade is noted, select classes for grade your child will complete in June 2018.

(If no grade level is indicated, that class is for all students grades 5-8)

## GRADES 9-12

### GRADES 9-12 COURSE OFFERINGS

**ATTENTION: Online scheduling will close on June 8<sup>th</sup>, 2018.**

**Courses with insufficient enrollments will be cancelled.**

**All courses have a maximum number of students per class.**

**Once this number has been reached, enrollment will be denied. NO EXCEPTIONS!**

Courses preceded by \* may be taken for make-up credit by students who did not receive credit during the regular school year. Students may earn promotion points for these courses. All students in these courses will receive a letter grade and report card.

**One-half credit will be granted upon successful completion of the course.**

#### **ENGLISH**

##### **\*English 9**

This course covers short stories, short nonfiction, a career unit, a short novel and writing, speaking, and listening activities. This class may be taken as make-up credit for either semester of English 9.

##### **\* English 10**

Part of the emphasis of this course is on the writing process. Students will engage in writing, editing, and revising a variety of works. This course is also designed to help develop the skills necessary for public speaking. The oral aspect of language is explored. Students will be responsible for being active participants in speaking assignments. This class serves as make-up credit for English 10.

##### **\*English 11**

In this course, students will read literature/novels written by American authors from the seventeenth through the twentieth centuries. Students will learn about a wide variety of literary genres and will study the diverse cultural backgrounds of many American authors. Students will be exposed to short stories, poetry, essays, and supplemental reading materials. They should be prepared to write essays, compositions, summaries, and creative pieces.

#### **ALEKS MATH**

##### **\*Geometry (Sem 1 or Sem 2)**

This course is designed for students who did not receive credit for either semester of Geometry.

##### **\*Pre-Algebra (Sem 1)**

##### **\*Pre-Algebra (Sem 2)**

The Pre Algebra courses are designed to build a strong foundation for Algebra as well as preparation for Geometry and an introduction to Probability. It will incorporate a wide variety of exercises that range from developing basic skills to introducing logical reasoning and problem solving. Other strategies that will lead to success in mathematics like note taking, reading mathematics, doing homework, and test-taking skills will be addressed in this course.

##### **\*Algebra (Sem 1)**

##### **\*Algebra (Sem 2)**

These courses cover basic topics in algebra including expressing relationships algebraically, solving equations/inequalities and graphing, polynomial operations and factoring, systems of equations, and rational and irrational numbers. Linear and quadratic equations are applied to problem solving.

#### **SCIENCE**

##### **\*Biology**

This course may be taken for either semester of biology make-up credit. Lecture, discussion and labs involving the following topics are included: cell biology, simple cell chemistry, genetics, classification, ecological relationships, biotic communities and resource conservation.

##### **\*Physical Science**

This course would be make-up credit for either semester of Integrated Science. The most current principles and concepts of physical science are presented. Through the use of observation,

## GRADES 9-12

experimentation and scientific inquiry and reasoning, students are introduced to the physical laws that explain relationship between matter and energy.

### SOCIAL STUDIES

#### **\*American Government**

This course is offered for students seeking credit for 9th grade Government and Society. The course provides a historical background to the development of the Constitution and a detailed, in-depth study and analysis of the U. S. Constitution, with special emphasis on the branches of the U. S. Government. Special efforts are made to show students note taking and outlining skills, test study skills and techniques for writing essay test answers. This class serves as make-up credit for first semester or second semester of Government and Society.

#### **\*U.S. History**

This course covers the years from 1790 to present. This course serves as make-up credit for either semester of U.S. History.

#### **\*Odysseyware**

Odysseyware is a computer-based, credit recovery program. Admittance into the program is based upon administrative, guidance, and parent approval. Students will gain credits through computer and real life application instruction. To enroll in this course, the student must be considered credit deficient.

### HEALTH EDUCATION

#### **\*Health (Remedial)**

This course serves as **make-up credit** for 9th grade Health. As in the regular course, this course is designed to help students better understand the physical, social and emotional changes which are taking place during their adolescence. By increasing their understanding of themselves, students are more understanding of others. The curriculum for this course includes: personal health, human relations, safety and accident prevention, advancing medical knowledge, and looking ahead.

#### **\*Freshman Health**

##### **Freshman Health: June 19 – July 12**

Watertown High School is now offering Freshman Health in summer school. All students are required to earn .5 credit of Health in order to graduate.

**Incoming freshmen** can earn .5 credit in advance of their freshman year in order to gain scheduling flexibility during their first year in high school. The summer course will follow the same curricular guidelines as Health taken during the regular school year that emphasizes physical, emotional and social well-being throughout life. Among the objectives covered will be: responsible decision-making, setting goals, social-emotional health, ATOD abuse and awareness, healthy relationships and conflict resolution. **In order to obtain .5 credit for this class, 100% Attendance is required.**

### FINANCE

#### **\*Money 101**

##### **Money 101: June 19 – July 12**

Watertown High School is now offering Money 101 during Summer School. All students are required to earn .5 credit in personal finance in order to graduate. The summer course will follow the same curricular guidelines as are used during the school year, emphasizing practical money management skills and financial planning. Incoming sophomores, juniors and seniors can take this class. **To obtain .5 credit in this class, 100% Attendance is required.**

### INSTRUMENTAL MUSIC

Summer Band Camp dates/times are as follows:

<b>August 19</b>	<b>1:00pm – 6:00pm</b>
<b>August 20</b>	<b>11:30am – 4:00pm</b>
<b>August 21</b>	<b>11:30am – 4:00pm</b>
<b>August 22</b>	<b>11:30am – 4:00pm</b>
<b>August 23</b>	<b>11:30am – 4:00pm</b>
<b>August 24</b>	<b>1:00pm – 8:30pm</b>

Further information can be obtained by contacting the Watertown High School Band Department at 920-262-7500

## High School (Grade 9-12) Course Selection Sheet

Please check with the high school guidance department PRIOR TO SCHEDULING to ensure student is taking the appropriate classes for credit recovery! Not all classes may be scheduled both sessions. A contract signed by both parent and student must accompany the registration form; this details attendance and tardiness policies regarding summer school attendance pertaining to earning credits. COURSES MAY NOT BE AVAILABLE BASED ON NUMBER OF STUDENTS ENROLLED.

as sponsored by **Watertown Unified School District**

during the **weeks of June 19 through July 19, 2018**

It is understood that the students and parents will not hold the school district or its employees liable in case of student accident or injury while in participation. The supervisors will exercise all reasonable caution to protect your son or daughter from injury.

Permission is also granted to take the student named above to a doctor and/or hospital if there is a need for emergency medical attention.

In order to better serve the needs of each member of the event, chaperones should be informed of any physical/medical restriction, allergies, conditions, etc., that could affect the student at the time of the event. Such information should be attached to this form and will remain confidential with the chaperones at the request of the parents.

Inasmuch as this event is an extension of school, school policies and regulations (which are published annually) will be observed at all times by the undersigned. If the student does violate the above policies, he/she will be sent home at the expense of the parent/guardian. The parent/guardian will be notified of the incident and travel arrangements will be made by telephone.

**Signed waiver must be submitted before student will be allowed to participate!**

# Rising Stars

**Singing! Dancing! Fun!**

Did you ever want to sing and dance on stage in front of a live audience with your friends?

Here is your chance to shine like the stars!

**Our culminating concert will be held *Thursday, July 19th, 2018* at 6:30 pm in the WHS Auditorium.**

\*Parents: Please make sure your child is able to attend the performance.

It's their only opportunity to show off their 20 days of hard work!

\*\*If more than one child in your family is registering for Rising Stars, please make copies of this form for each child to order their T-Shirt. This form may also be downloaded from [www.watertown.k12.wi.us](http://www.watertown.k12.wi.us)

Groups	Daily Class Time
Primers (1 <sup>st</sup> & 2 <sup>nd</sup> gr. Girls)	11:35 am – 12:25 pm
Uppers (5 <sup>th</sup> – 8 <sup>th</sup> gr. Girls & Boys)	11:20 am – 12:10 pm
Middlers (3 <sup>rd</sup> & 4 <sup>th</sup> gr. Girls & 1 <sup>st</sup> – 4 <sup>th</sup> gr. Boys)	12:30 pm – 1:20 pm

Please contact Ryan Moldenhauer at Watertown High School with any questions.

920.262.7500 or [moldenhauerr@watertown.k12.wi.us](mailto:moldenhauerr@watertown.k12.wi.us)

**Come Join the Fun!**

Complete form below, detach this portion and return to the Summer School Office along with payment and Summer School Reg form.

Lincoln Elementary STEM School – 210 N Montgomery, Watertown, WI 53094 – 920.262.1465
