

What is the WHS Athletic Booster Club?

The WHS Athletic Booster Club is a nonprofit organization formed to support and aid our student athletes. Our many volunteers, local businesses and even our athletes provide this support in a variety of ways.

We work very close with the administrators, teachers, coaches, and student body to promote pride, unity, sportsmanship and enthusiasm in our sports programs, as well as, financial aid not covered by the school system.

All of our fundraisers go directly to support the student athletes in all sports. Monetary support is raised through a variety of fundraisers each year.

The WHS Athletic Booster Club is a satisfying organization that you would want to be involved with as a parent, athlete, alumni, teacher, coach, or administrator.

We welcome all of you to join us in our quest to provide the best possible equipment and conditions for our student athletes to compete under.
